DOGGR letter with final report July 2011.pdf
20150715, Attachment 2, Plan for Class II Improvements.pdf

Hi Joel,

Per our conversation about the DOGGR Class II program improvement plan, attached please find a letter to the State from 2011 and the State's recent submittal regarding their plan for UIC program changes. I am still trying to find out where there is an extra hard copy of the Final HW report and will get that to you as soon as I can.

Thanks,

David
